

AFTERNOON TEA MENU

Welcome to the timeless tradition of afternoon tea – a creation deeply rooted in English history and culture. Credited to a lifelong friend of Queen Victoria, to fend off hunger between an early lunch and late supper!

Our award-winning team of talented chefs remain faithful to the cherished tradition of serving the classic combination of dainty finger sandwiches, freshly baked scones and delectable, sweet pastries. These delightful treats are perfectly complemented by a selection of loose teas and Clifton coffees.

Our ingredients are thoughtfully sourced locally, lovingly and skilfully prepared and presented fresh each day.

Now, all that's left for you to do is sit back, unwind and savour every moment.

Enjoy!

AFTERNOON TEA MENU

A selection of traditional sandwiches and sumptuous savouries

Raisin and plain scones

Freshly baked, served with Cornish clotted cream, locally made strawberry & apricot jams

A selection of hand-made pastries and dinky sweet treats

We serve our afternoon tea with a glass of English sparkling Hattingley Valley Rosé priced at **£37 per person**

Additional glass of English sparkling Hattingley Valley Rosé **£8.75**

If you'd prefer not to indulge in the bubbles, then enjoy a traditional afternoon tea for **£30 per person**

If you have a special dietary requirement or a particular allergy, we are very happy to adjust our offering to suit you.

TEA & COFFEE

English Breakfast a true gem! Bold, satisfying and deliciously smooth, perfect for any time of day.

Darjeeling the 'Champagne' of Indian tea. Delicately fragrant and uplifting with a touch of sophistication and tranquillity.

Earl Grey distinctive for its elegant flavour. Refreshing and lightly scented with the citrus tang of Bergamot.

Lemon & Ginger the zesty lemon and soothing ginger create a harmonious blend that is both uplifting and calming.

Chamomile renowned for its numerous health benefits from soothing properties to promoting restful sleep and aiding digestion.

Wild Rooibos enchanting and bursting with strong, berry-like flavours. Sweeten with honey, or simply enjoy with milk.

Triple Mint is a delicious restorative infusion for anytime of the day. The menthol taste of Peppermint mixed with both Spearmint and Apple Mint leaves you with a truly refreshing cup of tea.

Hibiscus & Berry blends a combination of European grown hibiscus, grapes, elderberries, blackcurrants, and blueberries. Its juicy palette of flavours will have you yearning for more and is naturally free from caffeine.

Decaf is great for tea lovers who would prefer to avoid the caffeine. This quality blend of organic African and Indian teas delivers incredible flavours and can be enjoyed black or with a splash of milk.

Jasmine Pearl delicate green tea leaves rolled with jasmine blossoms, creating a taste that's as fragrant as it is uplifting.

Green a classic, yet soothing and uplifting choice. Relax and unwind with its gentle warmth.

Clifton Coffees offer a balanced blend rich, sweet and extremely versatile taste.

Choose from cappuccino, latte, Americano or espresso.
